

# Pointe At Beckett Homeowners Association

July 30, 2020

Dear PAB Owners:

The Board members voted in 2019 to change the approved style of mailbox for the Pointe At Beckett Ridge from the wood birdhouse style mailboxes to the black cast aluminum mailbox pictured here.

Any future replacements of mailboxes in PAB will be required to be this approved mailbox style available from Addresses of Distinction. The Board has negotiated special pricing for Pointe At Beckett owners and a dedicated order website has been set up for you to use to order one of these approved mailboxes. Below are the special prices and when each is available, along with a link to the order website for this community's exclusive use.

An inspection of our neighborhood has revealed that there are many mailboxes that need to be replaced. If you own a mailbox that is in bad repair, please plan to order and install one of these approved mailboxes as soon as possible. This will give you the opportunity to replace your current mailbox before the need arises to send you an individual letter requiring you to do so.

Sincerely,

*Pointe At Beckett HOA
